Dear Camper,

Please join us this summer at the 2013 NJC Men's Basketball Camp We take pride in providing you with this great opportunity to participate in a fun-filled camp of individual instruction, game play, and skills contest.

Our top-notch staff at NJC will be joined by a large and excellent group of college and high school coaches to provide you with a VERY professional learning experience. Daily skills development stations will emphasize practice techniques for every facet of the game both offensively and defensively.

Your team skills will be enhanced through numerous league games and contests. I am confident our basketball camp will afford you the knowledge of how to become a more successful basketball player, while enjoying fun and friendship on our great campus.

Remember, championship teams are made in the winter with players who are made in the summer. Hope to see you and your friends in June.

Sincerely,

Eddie Trenkle
