Griffith Auto Electric Scholarship

Freshman Scholarship

Griffith Auto Electric, an independent automotive repair shop in Sterling, Colorado, has established a scholarship opportunity for a student planning to enroll in the **Automotive or Diesel Technology program at Northeastern Junior College** as a first year student Fall Semester, of the current year.

The Griffith Auto Electric Scholarship will be awarded to an entering freshman student who is planning a career in Auto or Diesel Tech and is a graduate of a Northeastern Colorado High School in the Seven Counties of Logan, Morgan, Phillips, Sedgwick, Washington, Weld, or Yuma. If the seven counties listed do not supply adequate applications, the Selection Committee may accept applicants from other Colorado high schools as well.

The scholarship provides one $200.00 scholarship that will be administered in the amount of $100.00 per semester of the student's first year of training. The award for the second semester will be contingent upon satisfactory completion of the 1st semester with a minimum GPA of 2.50.

Applications must be submitted by May 1, of the current year, to:

Griffith Auto Electric
Attention: Jim Griffith
P.O. Box 655
Sterling, CO 80751

There is no formal application form. In order to apply, applicants must submit a

1) **high school transcript, and**
2) **a letter of resume stating vocational motivation and specific aspects of financial need**

You will be notified by mail if you are awarded the Griffith Auto Electric Scholarship sometime following the deadline of May 1.

(This scholarship may be renewable for the 2nd year of your Auto Tech training providing you have attained a 2.75 GPA at the end of your 1st year and apply for renewal. Ask your instructor for details regarding renewal application.)
