Microbiology and Human A&P have a General College Biology Pre-req

Southeast Community College Contact: **Charlotte Pasco at 402.437.2781**

Online classes begin in March of each year.

Some of the clinical aspect may have to take place at some other hospital for 1 week periods (ex. 48 hours of neonatal care is required- students may go to Scottsbluff hospital for 4days for 12 hrs/ day to meet that requirement)
