2012 NJC Summer League

Boys Basketball

The boys will play every Tuesday starting *May* 29, 2012. Play will run five weeks ending *June* 26, 2012.

Both Divisions

We will have four courts of simultaneous play. JV games will start at 3 p.m. Varsity will start at 5 p.m. We will guarantee each varsity team 2 games/night and JV teams 2 games/night.

Cost for the summer league will be \$200/varsity team and \$200/JV team. Schools can enter as many teams as desired.

The summer league size is <u>limited</u>. We will only accept the first 8 JV teams and the first 16 varsity Teams! Spots will be reserved but official entry will not be made until payment is received.

Due to the limited availability of officials, we will only be able to guarantee 1 adult official/court. The adult official will do the best he/she can, however, this is summer league and the goal is playing time. At any time an official has problems with a coach, player and/or parent, that game will be stopped, not continued, and that team/player/coach will be asked to leave and not return for the duration of the summer league.

Finally, please pass on to all parents that again this is SUMMER LEAGUE and not season play. Spectators are more than welcome to come and watch, however, they need to realize that summer league is a laid back atmosphere. If at any time a parent/spectator gets out of hand, the game will be stopped and not continued until dealt with. NJC reserves the right to not allow any spectators into the facility if problems persist.

The NJC Summer League Basketball program is designed for high school athletes who are in entering 9th grade through 12th grade. If you have athletes that do not fall into this category, but desire to participate, please contact us to discuss your specific situation. To sign up your team, complete the registration form located below and return to the indicated address with payment. If you need to duplicate this form, please feel free to do so. If you know of other coaches who might not receive this flyer, please pass on this information.
