## OVERLAPPING FINANCIAL AID CLEARANCE LETTER

In order to accurately determine your Pell Grant and/or Federal Direct Stafford Subsidized/Unsubsidized loan eligibility with Northeastern Junior College, we are required to review your financial aid history with the National Student Loan Data System (NSLDS). It appears you have active Pell Grant and/or Federal Student loans within the same academic year at another institution and NJC.

*If you have already received aid for the current term and your financial aid is in excess of eligibility and/or your loans are in excess of annual borrowing limits and/or federal aggregate borrowing limits; it may be necessary for our office to reduce already disbursed aid and you will be responsible for amounts owed to NJC. If you have not received aid for the current term at NJC, the information provided on this letter will allow our office to accurately package your financial aid, provided you have a completed financial aid file.*
