LAB KIT INFORMATION:

Some science courses require a lab kit. These courses will have a dollar value in the Lab Kit column.

You **MUST** complete the address pop-up box assignment that will appear when you log into your course.

Your lab kit will not be sent until you have completed this assignment. You **MUST** provide a physical address, not a PO Box. APOs are acceptable for military students.

Neither CCCOnline or the lab kit distributor will be responsible for kits delivered to an incorrect address. Additional information about the lab kit will be emailed to your student email account and is also available at <http://www.cconline.org/wp-content/uploads/2014/12/LAB-KIT-FAQ.pdf>.

Lab kits will be ordered the day after the census date. Please allow 5-7 business days for delivery. International orders may take longer. If you do not receive your lab kit, please contact the CCCOnline Bookstore at bookstore@ccconline.org. Please include your name, student ID number, home college, and telephone number, and the course in which you are enrolled.

For more information, please go to <http://www.cconline.org/>. For information on required books and materials, go to <http://www.cconline.org/bookstore/>.
