RESIDENCE LIFE - HOUSING

Residence Halls

Each residence hall is under the leadership of a professional Residence Hall Director or Resident Assistant staff. The staff is carefully selected and receives extensive training. Together they provide a living/learning community whereby each resident has the opportunity to make new friends, grow individually, and receive support for their academic endeavors.

Residence Life Policy. All first-year students with fewer than thirty (30) semester credit hours earned are required to live in the residence halls for two semesters or until thirty (30) semester credits are earned. First-year students who are exempt from the housing policy are:

1. Over twenty-one years of age
2. Married
3. Have minor dependent children
4. Commuting to NJC from a parent or grandparent's residence within a 60-mile radius

Contract. The Residence Hall Contract, from the beginning date of the contract period, binds the resident to the length of contract selected; thirty-two (32) weeks required for first-year students and eight (8), sixteen (16), or thirty-two (32) weeks are optional choices for sophomore students. All students residing in the residence halls are required to purchase a meal plan in conjunction with the Residence Hall Contract. Students may choose between the following seven-day meal plans: ten(10) meals plus 150 flex points, fourteen (14) meals plus 100 flex points or nineteen (19) meals plus 50 flex points. Second year students may also choose between block meal plans that last the entire semester. Seventy five (75) block meals plus 150 flex points and one hundred (100) block meals plus 100 flex points are those options. Off-campus students may purchase meals daily or purchase a prepaid meal plan.

Room Assignment Policy. All residents are required to pay a \$150.00 room deposit, complete a contract to reserve accommodations, and Colorado law requires college students born since January 1, 1957, to be immunized against measles, mumps, and rubella. All students under the age of 19 must show proof of immunity if they attend a college or university with on-campus housing.

For all public or nonpublic postsecondary education institutions in Colorado the state law requires that each incoming freshman student residing in student housing, as defined by the institution, or any student who the institution requires, to complete and return a standard certificate indicating immunizations received by the student as a requirement for residing in student housing, be provided with information on meningococcal disease. If the student is under the age of 18 years the student's parent or guardian must be provided with this information.

Each institution must require each new student who has not received a vaccination against meningococcal disease, or if the new student is under the age of 18 years, the student's parent or guardian, to check a box and sign to indicate that the signer has reviewed information on meningococcal disease and has decided that the new student will not obtain a vaccination against meningococcal disease.

Returning residents are given first consideration in the room assignment process. New residents are assigned to rooms and halls according to the preferences on their application. All requests for specific room assignments will be granted on a first-come first-served priority. If the initial requested room/hall cannot be granted the housing office will attempt to accommodate the student's second room/hall preference. Students in need of housing after all available rooms have been reserved will be placed on a "waiting list" and will be contacted as rooms become available. Priority will be given to students at the top of the waiting list without transportation.

Contract Release. The Residence Hall Contract is a legal and binding document for services rendered or reserved. The Department of Residence Life realizes, however, that circumstances may change once students move into the residence halls and for this reason the following guidelines will govern a contract release request:

- **Medical:** The student has developed a specific medical situation which prevents him/her from fulfilling the terms of the contract. A medical verification which specifically states the nature of the medical situation and why it contributes to the student's contract release request must be supplied by a health care professional (on doctor's letterhead with signature) and must accompany all requests for a release based on medical reasons.
- **Financial:** The student's financial situation has undergone an involuntary change which was beyond the control of the student when he/she first signed their Residence Hall Contract. For all financially related requests the Financial Aid Office must supply a Student Financial Profile.
- **Extenuating Circumstances:** These include situations, other than financial or medical, which the student feels warrant a release from their contract. Examples of extenuating circumstances include an upcoming marriage, a counseling related issue, etc.

Students who move out without meeting with the Director of Residence Life & Student Activities or without meeting the contract release guidelines will forfeit their damage deposit and one half of their housing fee. There will be no room refunds after eight weeks of the semester.

Refunds of Room Deposits. Housing deposits of \$150.00 will be refunded only in accordance with the following procedure:

1. Full refund will be granted if notice of cancellation is postmarked and mailed to the NJC Department of Residence Life Office by July 1 for the fall semester or 30 days.
2. Full refund for spring semester is allowed if the same procedure is followed on or before December 1 or 30 days.

Food Services. The college has one main cafeteria that seats three hundred diners with the option of banquet facilities up to four hundred and fifty in the Student Center Ballroom. The college contracts the operation of the food services to a private company; currently the vendor is Sodexo. Northeastern Junior College requires all student residents to contract for a meal or board plan while living on campus. Students can select from five meal plans to meet their individual dining needs as well as eat in Pete's Retreat, a fast food facility also under the food management contract.

Each student is issued a photo ID that has his/her meal plan encoded; the ID card gives the student access to the cafeteria for the meals selected.

The cafeteria is open the days the residence halls are open and closed for the major breaks such as between semesters and spring break.

The food service company strives to serve the student with a variety of menus, quality service, and unlimited seconds for most meals. Special catering is available upon request for any location on campus. Purchasing food catering or food service from food vendors other than the contracted food service company is prohibited.

Academic Standard for Returning Residence Hall

Students. Returning students wanting to reside in the residence halls must have at least a 2.0 CUM GPA. Incoming freshmen will have a year to show sufficient academic progress for continued residence on campus.

ASSOCIATED STUDENT GOVERNMENT

All students are encouraged to participate in student clubs and organizations for their personal growth and recreation. The Hays Student Center has student designated areas of: Legislative Chambers, Student Government Office, and various meeting rooms and lounges. Northeastern Junior College recognizes the satisfaction and the contribution to personal and social development which come from participation in group activities outside the classroom. The central control system of student activities is placed in the hands of the students through their duly elected representatives in the Associated Students of Northeastern Junior College which includes all students and operates under a constitution adopted by students.

ASSOCIATED STUDENT GOVERNMENT (ASG)

Membership includes every member of the student body. Associated Student Government of Northeastern Junior College is headed by officers who are elected by the student body and functions through representatives of the academic divisions and chartered organizations. Any member of the Associated Students of Northeastern Junior College is welcome to attend the weekly meetings of ASG and may participate in the business meeting. ASG concerns itself with student affairs and campus life.

CAMPUS ACTIVITIES BOARD (CAB)

The Campus Activities Board is composed of representatives from all organizations on campus and is chaired by the second vice president of the ASG. This board correlates campus activities and allocates student activity funds set aside by Student Senate for campus life.

STUDENT SENATE

The Student Senate is composed of full-time students elected proportionally from the academic and occupational divisions of the college and headed by the first vice president of ASG. Its responsibilities include legislation concerning all students and allocation of student activity funds to Campus Activities Board for student activities and all other expenditures, including publications and special requests.

COMMITTEE

The College Constitution Committee rules on all questions concerning the student constitution and bylaws. The members are appointed by the President of ASG and confirmed by the Student Senate. Students also have an opportunity to participate in all-campus committees, which include students as voting members. Among these are the Constitution Committee, Finance Committee, Election Committee, and Food & Banquet Committee. The organizations listed have been active in recent years. Interested students under authorized constitutional procedures may start additional organizations each year.

Participants in these activities have an opportunity to develop athletic prowess, leadership ability, and skills in working with others in the accomplishment of a common goal.

STUDENT SUCCESS CENTER

ADVISING

Advising is required for new students in degree or certificate programs and is strongly recommended for all other students. Advising is done by the student's assigned faculty advisor (with services provided by the Student Success Center if the faculty advisor is not available). The following services are provided:

- Explanation of basic skills (placement test) results and assistance in selecting classes to resolve any academic deficiencies
- Help in choosing and registering for classes for the first semester of enrollment
- Information on course sequence and prerequisites
- Help in adding or dropping classes
- Assignment of a faculty advisor for guidance in future semesters
- Assistance with changing a course of study or faculty advisor
- Advising on classes when a faculty advisor is not available

STUDENT GUIDANCE COORDINATOR

Between classes, work, family, finances, and regular life events college students encounter a great deal of stress over the course of their education. While most students cope successfully with the demands of college life, for some, the pressures can at times become overwhelming and unmanageable. At those times the Student Success Center offers support and referrals.

CAREER COACH

The Career Coach assists students with clarifying their career goals, choosing the NJC education program that fits their needs best, and mapping their path to the chosen course of study. Once the course of study is selected students are helped to choose the appropriate courses that will meet their goals. The following services are provided:

- Career coaching (individual and group) to help with decision-making, goal setting, and choosing a college course of study
- Career assessments to match personal characteristics with occupational options
- Assistance with career or job placement skills
- Resume, cover letter, and interview prep

PEER HELPERS

The Peer Helpers are NJC students who are trained to help other NJC students with everyday personal and college life problems. They present educational programming on healthy lifestyle issues throughout the academic year. New members are selected at the beginning of each fall semester.

OMBUDSMAN

The ombudsman is a designated neutral or impartial dispute resolution practitioner whose main function is to provide confidential and informal assistance to NJC students. This position is responsible for providing a consistent, centralized point of contact for questions, concerns, and/or problems that students may experience in a college environment. This position supplements, but does not replace, the College's existing resource for formal conflict resolution.

BEHAVIORAL INTERVENTION TEAM

The Northeastern Junior College Behavioral Intervention Team (BIT) is a trained group of caring NJC faculty and staff professionals who meet regularly to support our students via an established protocol. The team tracks "red flags" over time, detecting patterns, trends, and disturbances in individual or group behavior. The team receives reports of disruptive, problematic, or concerning behavior or misconduct (from faculty and staff members, students, community members, friends, etc.) and conducts an investigation, performs a threat assessment, and determines the best mechanisms for support, intervention, warning/notification, and response. The team then activates the resources of the college and/or the community and coordinates follow-up. BIT is a specific model that has no parallel. The NJC BIT is made up of the following campus personnel: Vice President of Student Services, Athletic Director, Psychology Instructor, Student Success Specialist, Director of Academic Support Services, and the Director of Residence Life & Student Activities. For more information contact the Vice President of Student Services at 970-521-6657.

PLACEMENT FOR SUCCESS

Northeastern Junior College has adopted the Placement for Success program which strives to ensure that all NJC students are placed in classes appropriate to their skill level. NJC utilizes the Accuplacer computer program to assess students reading, writing, and mathematic competence. This system is especially important to the Student Success Center because Accuplacer results often place students in the developmental math and integrated reading and writing courses listed below:

DEVELOPMENTAL CLASSES

These courses are designed to prepare students to succeed in all areas of their studies during their time at NJC and beyond:

AAA	75	Quantitative Literacy Lab
AAA	76	Algebraic Literacy Lab
AAA	77	Skilled Trades Math Lab
AAA	79	Career Math Lab
CCR	91	Composition and Reading Lab
CCR	92	College Composition and Reading
CCR	94	Studio 121
MAT	50	Quantitative Literacy
MAT	55	Algebraic Literacy
MAT	80	Math for Liberal Arts Lab
MAT	81	College Algebra Lab
MAT	85	Introduction to Statistics Lab

Credits earned in developmental courses do not count in the calculation of the academic grade point average or toward transfer degree requirements and must be taken in excess of required credits. These credits are, however, used to qualify for fulltime student status, financial aid, and athletic eligibility.

READING PREREQUISITES

The majority of college classes require a high level of reading skill. Research conducted by our Monahan Learning Center shows that students have a substantially better chance of success in these classes when they read at an appropriate level. Examples of reading intensive courses include:

- Animal Sciences
- Intro to Business
- Astronomy I & II
- General College Biology I
- English Composition I & II
- General Psychology I & II
- Human Growth & Development
- Intro to Sociology I & II

A complete list of the classes is available in the MLC. Students are advised to take these classes only if their Accuplacer reading scores are appropriate or if they have completed their required MLC reading courses.

STUDENT SUCCESS SPECIALIST

The Student Success Specialist provides academic advising, mentoring, and support for students, with a special emphasis on those from historically underserved and/or underrepresented groups.

TESTING CENTER

The testing center administers placement testing and certification tests to students and the community.

CONCURRENT ENROLLMENT FOR HIGH SCHOOL STUDENTS

Northeastern Junior College's Concurrent Enrollment Program allows high school students to concurrently enroll in college courses. High school students earn both high school and college credit. Students must be approved by their high school for enrollment into concurrent enrollment courses. Guidelines for student eligibility include:

1. Demonstration of readiness to take college courses by means of acceptable assessment scores
2. Demonstrate through previous high school work of the skills/knowledge necessary to be successful in the concurrent enrollment course
3. Completion of all high school and college prerequisites

Please check with your local school district regarding the policies they may have for tuition reimbursement. Concurrently enrolled students and their high school advisor will need to work with NJC to develop a postsecondary educational plan. All courses administered through NJC's concurrent enrollment program conform to college academic standards of rigor and Colorado Community College System (CCCS) curriculum outcomes. Concurrent enrollment courses can be applied towards a degree/certificate at NJC or can be transferred to another college or university. For more information about NJC's concurrent enrollment program contact the Student Success Center at 970-521-6663.

HEALTH SERVICES

The Family Care Clinic serves NJC students. It is located at 615 Fairhurst in Sterling or the Clinic on Main Street (depending on Doctor seen). The Clinic is fully staffed and provides front line health care. Full-time students (12 credit hours or more) may be seen by staff without charge. Other minimal fees are assessed to all patients to cover the cost of materials such as strep screening, urine screening, any lab procedures, and supplies such as braces, condoms, bandages, etc. You can reach the Family Care Clinic at 970-521-3223.

MONAHAN LEARNING CENTER

The Monahan Learning Center/MLC, located on the first floor of Knowles Hall, meets the individual academic needs of any Northeastern Junior College student. The MLC staff is committed to the success of each and every student regardless of major or subject area.

The MLC provides academic and personal support services to approximately 1,300 students each year including preparatory classes, workshops, study groups, personal tutoring, accommodations for disabilities.

A full-time, professional staff provide a friendly atmosphere where students can work one-on-one and in small groups to help students achieve the best possible academic performance. Professional Instructional Specialists tutor students in all majors for virtually all courses offered on the NJC campus.

Student Learning Assistants, selected for their high grade point averages and demonstrated academic performance in their majors, provide high-quality tutoring services from a student-to-student point of view.

PERSONAL TUTORING

Personal tutoring may be scheduled with either Instructional Specialists or Learning Assistants. Tutoring appointments typically run 30-50 minutes and focus on course subject matter, test preparation, and study skills. Surveys show that students consider tutoring a key to academic success. Like study groups, personal tutoring is based upon student preparation for each session and active student participation. Personal tutoring has enhanced students' success in upper-level courses including biology, chemistry, and advanced mathematics. Students may make tutoring appointments in person or by calling the learning lab. One-time and permanent appointments are available.

STUDY GROUPS AND PEER-LED TUTORING

When several students in the same class request academic assistance Instructional Specialists and Learning Assistants form small study groups. The groups may meet occasionally—just before exams and major assignments—or on a regular, weekly basis. The study groups require that students prepare for each session (completing reading assignments or textbook exercises) and participate in discussions. Historically study groups have greatly enhanced student success in challenging subjects such as sociology, psychology, and algebra.

NJC also provides peer-led tutoring based on the Supplemental Instruction model. Peer-led tutors are upper-level students who have succeeded in the course, spend time in the class each week, and lead interactive workshops on the material covered, providing just-in-time assistance to students.

MATH AND WRITING EXCEL CENTER

The Math Center is your place to get help from a tutor or instructor, study on your own, or work with friends. We offer walk-in tutoring during our hours of operation. You are welcome to check out a laptop to work on your homework or bring your own device. The Writing Center is the walk-in, on-the-go support for all writing needs and it's also a great place to study or collaborate for writing projects. We offer drop-in writing consultations during our hours of operation geared to help you whether you're brainstorming, planning, drafting, revising, or editing your writing project. Individual appointments for extra assistance are available through the MLC tutoring center.

WORKSHOPS

Workshops offered in the Monahan Learning Center, residence halls, and classes at faculty members' requests provide students opportunities to learn strategies for time management, test taking, memory improvement, and other topics, such as resume writing, decision-making, and financial literacy. writing courses listed below.

ACCOMMODATIONS FOR DISABILITIES

Northeastern Junior College is committed to serving students with disabilities. The MLC's Transition Specialist works with students to document their disabilities and make accommodations so that students can pursue their chosen program of study. Students who have received special services for disabilities during their K-12 school years or at other institutions are strongly encouraged to contact the MLC.

Students must take two critical steps to receive accommodations for disabilities: 1) identify themselves as disabled students and 2) provide documentation, if available, of their disabilities. To complete these steps students should contact the Transition Specialist at 970-521-6727.

ADULT BASIC EDUCATION AND COMMUNITY EDUCATION HIGH SCHOOL EQUIVALENCY DIPLOMAS

Adult Basic Education (ABE) is available to anyone 17 years of age or older who is not enrolled in another school under the department of education. ABE guides students in the development of their skills in reading, writing, mathematics, social studies, and science and prepares them to test for the General Education Development (GED) diploma.

Students begin a program of study leading to GED completion by attending an assessment and orientation program that places them at the appropriate beginning academic level. The length of time to GED completion varies from student to student. Students utilize traditional classroom and individualized instruction.

The Adult Basic Education program is also designed to assist students in making the transition from GED completion to enrollment in degree or certificate programs at NJC. Contact 970-521-6761.

GED (HIGH SCHOOL EQUIVALENCY DIPLOMA)

The GED Testing Center, located in Hays Student Center, serves as an authorized center for the High School Equivalency Diploma Test for Northeast Colorado. Satisfactory scores on the GED tests will be accepted as the equivalent of the high school diploma. Students can call 877-EXAM-GED to schedule GED exams. Go to GED.com to create a profile or call (970) 521-6605.

ENGLISH AS A SECOND LANGUAGE

English as a Second Language (ESL) classes are available to students whose first language is not English. In small groups, students learn to speak, read, and write English. Students learn by conversation with their instructors and one another, by writing, and with the assistance of computer programs designed to help students acquire written English skills.

A language skills assessment places students in beginning, intermediate, and advanced ESL courses that are taught by experienced ESL instructors. Students from countries all over the world are enrolled in ESL classes and instructors strive to create an inviting, comfortable environment in which to learn.

In addition to English language skills, students may also pursue GED completion and transition to NJC certificate and degree programs.

MONAHAN LIBRARY

Located in Knowles Hall, houses a comprehensive collection of approximately 35,000 published and recorded items to help students complete assignments and expand their educational opportunities. These materials include books, DVDs, videotapes and compact disks, pamphlets, microforms, over 70,000 ebook titles, and various full-text online databases. The Monahan Learning Center subscribes to 98 periodicals, including local and regional newspapers. The Monahan Library provides a computerized online catalog which can be accessed via the NJC web page. Material not owned by the Monahan Library can be ordered electronically through interlibrary loan. Periodical articles are generally procured within 2-3 business days. In addition, courier deliveries provide expedient shipment of interlibrary loan books and other materials from surrounding libraries. Interlibrary loan services are free to NJC students.

Library staff members are available for reference assistance. Library instruction tutorials for the web catalog and databases are available at <http://www.njc.edu/Library/Tutorials>. The library staff also works very closely with MLC staff to facilitate learning resources and services.

COLLEGE SANCTIONS

a. Dismissal

Dismissal is the permanent separation of the student from the college. Notification will appear on the student's transcript. The student will be barred from the college premises. Dismissal from college requires a College Hearing Board review with an optional review by the President to alter, defer, or withhold dismissal.

b. Suspension

Suspension is separation of the student from the college for a specific period of time (no longer than two semesters). Permanent notification will appear on the student's transcript. The student may not participate in any college-sponsored activity and may be barred from college premises. The chief judicial officer enacts suspension and this action may be reviewed by an appeal to the College Hearing Board.

c. Interim Action

The chief judicial officer or a designee may suspend a student for an interim period pending judicial proceedings or medical evaluation. Interim action can be enacted any time without prior notice. Interim action can be enacted when there is reasonable evidence that the continued presence of the student on the college campus and enrolled in college classes poses a substantial threat to themselves, other students, faculty, any college official, or the stability and continuance of normal college functions.

d. Disciplinary Probation

Disciplinary Probation restricts a student from representing the college in any extracurricular activity or run for/hold office in any student group or organization. Institutional scholarship support will be withheld as well as additional restrictions or conditions may be imposed. There are three levels of Disciplinary Probation with distinct sanction differences.

e. Disciplinary Warning

Disciplinary Warning communicates to the student that further misconduct will result in stricter judicial sanctions. A warning shall be used only once per term.

f. Restitution

The student is required to make payment to the college or other persons, groups, or organizations for damages incurred as a result of a violation of this code. Restitution is required for vandalism, theft, payment for repair, cleaning charge, services rendered, and loss and destruction of equipment. Fines for violations are considered restitution.

g. Eviction

A student residing in a residence hall may be evicted as a result of a specific violation of this code. Eviction requires immediate removal of all belongings and completion of checkout procedures with maintenance and housing.

Monetary penalties will be assessed to include and not limited to, breakage of contract fee, general hall or room damages, and room deposit. An evicted student may continue present enrollment in classes, but will be restricted from one or all residence halls and/or the college cafeteria. The chief judicial officer must give notice of eviction.

h. Educational Sanctions

Educational sanctions may be imposed by the Residence Hall Director, Director of Student Life, or Vice President of Student Services in addition to sanctions assigned by policy. The monitoring of the completion of educational sanctions will be centrally reported to the Vice President of Student Services office for follow up and reporting.

STUDENT DISCIPLINARY PROCEDURES

Decision

The Vice President of Student Services or designee shall receive all allegations of student misconduct and investigate the complaints, which includes meeting with the student to give him/her the opportunity to respond to the allegations of misconduct. If the allegations of misconduct are discrimination and/or harassment based on federal or state civil rights laws the college will investigate those incidents through the Civil Rights Grievance and Investigation Process (3.18).

Once the investigation is complete, either through this process or the Civil Rights Grievance and Investigation process, the CSSO or designee shall render a sanction decision.

The CSSO or designee may decide that the charges can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to them. If an administrative resolution is not achieved the CSSO or designee shall issue a decision which determines whether the alleged conduct occurred or whether the conduct violated the Code of Conduct or College procedures and then impose a sanction(s) if appropriate. The student shall receive written notice of the decision and be advised of his/her right to appeal the Decision, subject to the grounds below, by filing a written appeal with the CSSO or designee within seven (7) days of service of the Decision.

Appeal

In the event of an appeal the CSSO or designee shall give written notice to the other party (e.g., if the accused student appeals, the appeal is shared with the complainant who may also wish to file a response) and then the CSSO or designee will draft a response memorandum (also shared with all parties). All appeals and responses are then forwarded to the appeals officer or committee for initial review to determine if the appeal meets the limited grounds and is timely. The original finding and sanction will stand if the appeal is not timely or substantively eligible and the decision is final. If the appeal has standing, the documentation is forwarded for consideration. Because the original finding and sanction are presumed to have been decided reasonably and appropriately the party appealing the decision must specifically cite the error(s) in the original determination on which the appeal is based. The ONLY grounds for appeal are as follows:

1. A material procedural or substantive error occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures); which must be explained in the written appeal.
2. To consider new evidence unavailable during the investigation or hearing that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included in the written appeal as well as the reasons the new evidence was not available during the original proceeding.

The appeals committee shall be appointed by the NJC President and shall consist of one (1) administrator, three (3) faculty members (none of whom shall be a current or past instructor or advisor of the student filing the appeal), and one (1) student representative (an officer from the Associated Student Government). If the appeals officer or committee determines that a material procedural or substantive error occurred, it may return the complaint to the CSSO or designee with instructions to reconvene to cure the error. In rare cases where the procedural or substantive error cannot be cured by the CSSO or designee, in cases of bias, the appeals officer or committee may order a new hearing be held by a different individual acting in the place of the designated CSSO or designee. The results of a reconvened hearing cannot be appealed. The results of a new hearing can be appealed, once, on the two applicable grounds for appeals.

If the appeals officer or committee determines that new evidence should be considered it will return the complaint to the CSSO or designee to reconsider in light of the new evidence only. If the subject matter pertains to discrimination and/or harassment pursuant to 3.18 of the NJC Student Handbook the appeals officer or committee will return the complaint to the Title IX Coordinator to reconsider in light of the new evidence, only. The reconsideration of the CSSO, designee, or Title IX Coordinator is not appealable.

The procedures governing the hearing of appeals include the following:

- All parties should be timely informed of the status of requests for appeal, the status of the appeal consideration, and the results of the appeal decision.
- If the appeals officer or committee determines there is new evidence or error in the original proceeding every opportunity to return the appeal to the CSSO or designee for reconsideration (remand) should be pursued
- Appeals are not intended to be full rehearings of the complaint. In most cases appeals are confined to a review of the written documentation or record of the original hearing and pertinent documentation regarding the grounds for appeal.
- An appeal is not an opportunity for an appeals officer or committee to substitute their judgment for that of the CSSO or designee merely because they disagree with its finding and/or sanctions.

- Appeals decisions are to be deferential to the original decision, making changes to the findings only where there is clear error and a compelling justification to do so.
- Sanctions imposed are implemented immediately unless the CSSO or designee stays their implementation in extraordinary circumstances, pending the outcome of the appeal.
- The appeals officer or committee will render a written decision on the appeal to all parties within four (4) days from receiving the appeal request. The committee's decision to deny appeal requests is final.

Special Discipline Process Provisions

- In the event that the student is under the age of eighteen or incapacitated, he or she may have an advisor present to assist him/her in presenting his/her case.
- Students do not have the right to be represented by an attorney or law student during these proceedings except in the case where civil or criminal actions concerning the student are pending and in that case the attorney's role shall be advisory only.
- The student is responsible for presenting his/her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing except when the student is under the age of eighteen or incapacitated.
- Student shall have the right to identify documents, witnesses, and other material he/she would like the CSSO or designee to review before making a final decision.
- Any hearing held shall be conducted in private unless all parties agree otherwise.
- A record of the hearing should be maintained by the CSSO or designee.
- If student has a disability and would like to request an accommodation to assist him/her through the discipline process they may do so by informing the CSSO or designee. The CSSO or designee will then work with disability support services to accommodate the request.
- Jurisdiction-College disciplinary proceedings may be instituted against a student charged with violation of a law if the violation occurred at the College or college-sanctioned activities or was of such a nature to have an impact on the college and the violation is also a violation of the college's student code of conduct. • Proceedings under this procedure may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.
- Standard of proof-the college will use the preponderance of evidence standard in the disciplinary proceedings, meaning the college will determine whether it is more likely than not a conduct code was violated.

- All sanctions imposed by the original decision maker will be in effect during the appeal. A request may be made to the CSSO or designee for special consideration in exigent circumstances, but the presumptive stance of the institution is that the sanctions will stand. Graduation, study abroad, internships/externships/clinical placements, etc. do not, in and of themselves, constitute exigent circumstances and students may not be able to participate in those activities during their appeal. In cases where the appeal results in reinstatement to the institution or of privileges all reasonable attempts will be made to restore the student to their prior status, recognizing that some opportunities lost may be irretrievable in the short term.

- The procedural rights afforded to students above may be waived by the student.

Retaliatory Acts

It is a violation of this procedure to engage in retaliatory acts against any employee or student who reports an incident(s) of code of conduct violations or any employee or student who testifies, assists, or participates in the discipline proceeding, investigation, or hearing relating to such allegation(s) of code of conduct violations.

Revising this Procedure

CCCS reserves the right to change any provision or requirement of this procedure at any time and the change shall become effective immediately.

DUE PROCESS EXCEPTIONS

In special circumstances to preserve and protect the rights and privileges of the majority of students the Vice President of Student Services can waive the due process. The following are due process exceptions; they are general categories that give the college authority and the right to make a reasonable and fair decision regarding exceptions.

- Dangerous Acts:** If a student's conduct is dangerous and life-threatening to themselves and to other people the due process is waived.
- Mental Health:** If the student has exhibited impaired and irrational judgment and in the opinion of the Vice President of Student Services is unable to make decisions due to emotional or psychological reasons the due process is waived.
- Physical Health:** In the opinion of the Vice President of Student Services, if the student's health is or will be affected by the due process procedures the due process will be waived in best interest of the student. An expeditious hearing and the seven-day appeal requirement may be extended by request of the student or the Vice President of Student Services.
- Students with Legal Summons:** Students who are arrested for violation of a local, state, or federal law are still eligible for college student due process if such violation of law does not involve threatening the health, safety, rights, and privileges of other students. If the student is arrested and/or charged for physical acts of endangerment of others or for irrational behavior that could threaten other people, or the possibility of physical threat, the student's status may be decided by the college administration to protect other students enrollment status and on campus residence.
- Interim Action:** is outlined in College Sanctions.

SAFETY & SECURITY ON CAMPUS

The college relies on the Sterling Police Department to support a safe and well-ordered environment in which all students, staff, and community guests can pursue their educational and personal goals. NJC staff is committed to honoring each person's rights, showing respect for all individuals, and to uphold the law while striving for quality service and always acting with the highest integrity.

The college has made provisions to preserve and protect individuals and property by securing buildings, locking and supervising residence halls, supervising activities, providing security phones at each residence hall main entrance, and continuing monitoring of campus lighting. Nothing can improve personal safety and security better than each individual's own prudent and reasonable actions. Take time to investigate how to access emergency services such as police, fire, and ambulance. Learn about the safest and quickest routes exiting any campus building. Know how and who to report unsafe conditions and the conduct of others that are dangerous to themselves and others. Personal awareness and current campus information is your best protection against crime and accidents.

In compliance with the Student Right to Know and Campus Security Act of 1990 NJC publishes annual Student Right to Know and Campus Safety Reports. These reports include explanations of campus security support that exists, emergency procedures and phone numbers, procedures regarding access to campus, drug free and alcohol free campus, sexual harassment/sexual assault prevention/response program, and procedures for reporting unsafe incidents/situations of concern. Campus Crime and conduct violation statistics are provided. The reports are accessible by all student and staff on the campus web site (www.njc.edu) under Publications. Hardcopy reports are available upon request from the Vice President of Student Services Office in Hays Student Center 132, the Office of Admission, or the Records Office. This notice of access and availability is distributed to all enrolled students and employees. The Campus Alcohol/Drug Policy is distributed directly to all enrolled students and to all employees.

NOTICE OF PROHIBITION AGAINST ENROLLMENT IN STATE-SUPPORTED INSTITUTIONS OF HIGHER EDUCATION OF PERSONS CONVICTED OF RIOTING OFFENSES

Under Colorado law no person shall be enrolled in a state-supported institution of higher education for a period of twelve months following the date of a guilty verdict, guilty plea, no contest plea, a deferred judgement, or sentence for inciting riot, arming rioters, or engaging in a riot.

VOTER REGISTRATION

Students are encouraged to register and to vote. The forms are available in numerous offices, classrooms, residence halls, and the library.
