

WUE

WESTERN UNDERGRADUATE EXCHANGE

2004- 2005

What is WUE?

WUE is the Western Undergraduate Exchange, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in western states may enroll in many two-year and four-year college programs at a reduced tuition level: 150 percent of the institution's regular resident tuition. In all cases, WUE tuition is considerably less than non-resident tuition.

Which State Participate?

For academic year 2002-2003, resident students from the following states may participate if they meet eligibility requirements:

Arizona	Idaho	Oregon
Alaska	Montana	South Dakota
Colorado	Nevada	Utah
Hawaii	New Mexico	Washington
	North Dakota	Wyoming

NOTE: Residents of Hawaii may enroll as WUE students in four-year programs only.

Programs Available

Virtually all undergraduate fields are available to WUE students at the participating colleges and universities. Some institutions have opened their entire curriculum on a space-available or first-come, first-serve basis; others offer only designated programs.

WUE Bulletin

To learn of the wide array of programs available, consult the *WUE Bulletin*. For more detail, examine individual college and university catalogs. The *WUE Bulletin* is available from the WICHE Certifying Office in your state high school counselors, and admissions offices in participating institutions.

Eligibility

Some institutions require evidence of academic performance, such as ACT/SAT test scores or high school GPA, or place other limits on WUE enrollment. Consult the *WUE Bulletin* for details.

Application and Admission

If interested, apply for admission and WUE tuition status directly to the institution(s) of your choice. **Mark prominently on the institution's application form that you seek admission as a WUE student.**

Further information

Further information about specific programs in WUE may be obtained from the admissions office of the participating institution. Information about student eligibility and the operation of the program in any state may be obtained from the state Certifying Offices.
