Note to advisor and student: The above requirements are based on CSU Agricultural Education. If you are planning on transferring to another four-year institution you need to refer to their college catalog.

Added or dropped courses and curriculum changes may not be reflected on this sheet.

* Note: AGR 260 will satisfy CSU Global and Cultural Awareness Requirements: If you feel you have advanced computer skills CIS 118 is not required, however you will be required to take a competency exam at CSU to prove competency before taking other selected courses.
