## PLACEMENT RATES FOR EACH PROGRAM AREA

Placement rates are the AY 11 graduate placement rates as used for VE-135 reporting. Rates are based on both certificate and degree completers, as VE-135 does not differentiate. Percentage placed are the number who indicated they were employed on their follow up surveys out of those who indicated they were employed or seeking employment.

The Zero Placement Rate Category provides additional information on those programs whose placement rate is 0% due to reporting issues, rather than a lack of placed students.
