NAME (Printed)	STUDENT ID #
Address (Street, City, State and Zip)	Cell Phone #

The following is the Agreement between us (Colorado Community College System) which includes Northeastern Junior College and you, regarding our delivery of educational services for which you agree to pay in the future in accordance with this agreement. By allowing charges to be applied to your student account, you will be bound by this Agreement.

I hereby authorize and promise to pay Northeastern Junior College the sum of \$ _____ which is the charge for my Apple iPad purchased through Northeastern Junior College. I hereby authorize and agree that any proceeds from my financial aid, including, Grants, Loans and Scholarships will be credited directly to this note and any balance on my student account prior to any refunds being issued by Northeastern Junior College. By procuring my Apple iPad thru Northeastern Junior College, I understand that if I drop or withdrawal from classes I am still fully responsible for the charge remaining on my account.

You authorize Northeastern Junior College to add these charges to your student account. By registering for classes or authorizing charges to be added to your account, you represent to us that you have the intention and ability to pay and you promise to pay for all charges placed on your account as well as any service fees or collection agency fees, if any, that may be due. This includes subsequent registrations and charges for this term and any part of term within this term of registration. It also includes 100% of the tuition and fees for all withdrawn courses and 100% of the Apple iPad charges.

Student Account activity is available electronically via the student portal. In addition, the College may send electronic billing statement notices to the student's College-issued email address on record. The College may also send paper billing statements to the student's physical address on record with the college of attendance, but is not required to do so. Failure by a student to view their Student Account or receive any billing statement does not constitute valid grounds for waiving late payment penalties, collection fees, or registration, grade, diploma or transcript holds.

If you fail to make a required payment when due or break any other promise under this Agreement or a separate payment Agreement, we can declare the entire balance of your account due and payable at once without notice or demand. To the extent permitted by applicable law, you agree to pay all fees and disbursements and to reimburse us the fees of any collection agency, which may be based on a percentage at a maximum of 40% of the debt, and all costs and expenses, including reasonable attorney's fees, we incur in such collection efforts or in legal proceedings to collect or enforce your indebtedness.

This agreement will be governed by the laws of the State of Colorado and all applicable federal laws.
