

The following are statistics on certain reported crimes, arrests and/or referrals for campus disciplinary action that occurred on the NJC campus. For clarity, statistics are disclosed in four categories: (1) Campus (Main campus, North Campus, Equine Center); (2) Non-campus which includes any NJC owned remote facilities used for instruction; (3) Public property, which includes publicly owned sidewalks, streets or other thoroughfares and parking facilities that provide immediate access to facilities owned by NJC and are within the same reasonably contiguous geographic area of the institution; and (4) Residential facilities, which includes all of the residence halls for students affiliated with NJC. Statistics reported are between January 1, 2015 and December 31, 2015 by the local police department and campus officials.

Note: An “arrest” is defined as a person being taken into custody by a State, Local or Federal law officer.

The campus Security Act was amended in 1998. Any marked increase across years or in the revised statistics from previous years can be accounted for by the fact that the geographic boundaries for reporting were greatly expanded in 1998.

** This category includes all on campus incidents, including those listed in the category below, "In residence halls or other residential facilities." Therefore, the two categories are not cumulative but duplicative.
